

Abraham E: Warehouse Lead

Abraham began with Best Mattress in July of 2015. Humble beginnings as a delivery assistant lead him to become a diligent assistant manager in a warehouse serving both southern Nevada and southern Utah. Product knowledge and knowledge of delivery conduct is what this career minded individual attributes his daily success. The team work and perseverance of his colleagues is what he notes as the success of all those around him.

How does one contribute to such a grand operation, maintain a lovely family of four children and a dog, coach kids' football and keep a wife sane? "Hard work and staying active has to be your life motto," is the advice Abraham gives to all those who want to enjoy and be a contributor to society.

Me: Have you ever been tipped during a delivery route in a memorable way?

Abraham: Once, yes, a customer tipped me in a large box of Oreos.

Me: That is very different.

On-line

Abraham: Yes, then he tipped my assistant in the same fashion. We both left very grateful but in awe of how one obtains such large amounts of Oreos.

I'm sure that many Oreos would leave anybody in awe.

"It's easy to keep a smile at Best Mattress" -Abraham E.
